ANOTHER CASE OF INFANTILE PARALYSIS onths-old Child of Mr. and Mrs. Haddad Has Both Legs Para-

The paralysis situation in Willimantic has not shown any signs of letting up at the present time, according to the latest developments. About daylight Sunday morning Dr. Jenkins was called in consultation with Dr. Gerrera at the home of Nelson Lawrence at 79 tyes street. It was found that George Lawrence the 22-months-old son, was Lawrence, the 22-months-old son, was suffering from the disease. At this time the child's body had become al-

ime the child's body had become almost completely paralyzed and he died about 9.30 the same morning.

The child was taken sick last Frings but at this time it was thought that he was suffering from a slight lisorder. Sometime later a physician was called in but symptoms of para-

morning.

Another case was reported to the health officer on Saturday the patient being the 16-months-old child of Mr. and Mrs. Haddad of 68 Jackson street. Saturday morning Dr. R. C. White, the attending physician, found that both legs of the child had become paralyzed and the condition serious. The child had been sick about 24 hours before any signs of paralysis became apparent.

Twenty-three cases of the disease have been reported to the health offi-cer up to date. There are at present ten cases in the city two of which are reported as serious.

Auto Crashes Into Crossing Gate. Early Saturday night an automobile driven by George Geadreau of this city ran into and damaged to some extent the gate at the railroad crossing on Main street. Mr. Geadreau reported the matter to the police and stated that at the time of the accident there was no light on the gate. The ma-chine was coming into Williamtic when the accident occurred.

New Planking on Railroad Crossing The "New Haven" road had a force of men at work Sunday putting in new planking on the Railroad street crossing. The dirt that was removed for this purpose was used to fill in some holes in the highway on Railroad street.
